- Member of the board of trustees for Khaled Al-Faisal Prize for the Holy Qur'an language in 1444 AH.
- Member of expert committee for King Faisal Prize (Arabic Language) 1442 AH.
- Member of the Book Prize Committee of the Ministry of Culture, 1441 AH.
- Chairperson of women's excellence award committee, affiliated by Qassim Literary Club, 1437 AH
- Member of women's excellence award committee of Qassim Literary Club, 1436 AH

Fifth: Scientific Seminars and Workshops

- Managed a session in the first conference of Saudi women's studies (1440 AH).
- Attended the Language Planning Forum at King Abdullah bin Abdulaziz International Center for Arabic Language Service, 1437 AH.
- Attended a lecture titled: Publishing in international journals at College of Design (1437 AH).
- Attended a workshop on Determining Research Priorities and their Impact on Scientific Research, by the General Secretariat of Research Chairs, 1437 AH).
- Attended a workshop titled: Semantic Web, Machine Translation and Information Retrieval in 1437 AH.
- Attended the Arabic is Our World Forum by Institute of Teaching Arabic to non-Speakers, 1437 AH.

- Attended Excellence in Scientific Publishing Forum, Princess Nourah bint Abdul Rahman University, 1437 AH.
- Attended the Excellence in Scientific Publishing Forum, Princess Nourah bint Abdul Rahman University, 1437 AH.
- Attended the First Exhibition for Training and Development Conference, Princess Nourah bint Abdul Rahman University in 1437 AH.
- Attended three workshops on Best Practices in International Partnership Between Universities, by Prof. Perastorat, President of Board Deanship of Graduate Studies in the United States of America, Princess Noura University on (14-16/4/1436 AH).
- Attended Community Partnerships Forum in 1435 AH.
- Attended a workshop titled: Computational Websites that Serves Arabic Language: Its Methods and Presentation, at King Abdullah for Arabic Language Service Center (1434 AH).
- Attended a workshop titled: How to build a computational linguistic blog in (1433 AH).
- Attended a workshop on “The Saudi Academy’s Cooperation with Promising Organizations, at Princess Nourah University, the Promising Research Center, in 1433 AH.
- Attend a workshop on Idiomatic Expression and Its Figurative Nature Between Culture and Performance in 1433 AH.
- Attended a workshop on Pragmatics and Discourse Analysis, in 1432 AH.
- Attended a workshop titled: Article and Discourse Analysis Methodologies in 1432 AH.
- Attended Interactive Computational Lexicon workshop at King Abdulaziz City in 2009.

Sixth: Scientific and Administrative Workshops

- Quality of Postgraduate Programs workshop at Princess Nourah University 1441 AH.
- Creative Thinking in Scientific Research by Prof. Abdullah bin Saif in the year 1437 AH
- Received EMAS certificate (إيماس) for a workshop titled: Preparing training packages, by Muhammad Al-Tayeh at Princess Nourah University Training Forum, in 1437 AH.
- Presented a workshop on Effective Dialogue, at King Saud University in 1437 AH.
- Held Speech Skills workshop at King Saud University in 1437 AH.
- Flow Maps workshop at Princess Nourah bint Abdul Rahman University (1436 AH).
- Commissioning workshop at Princess Nourah bint Abdul Rahman University in 1435 AH.

- A seminar titled: Management under Work Stress at the Institute of Public Administration, for a period of three days.
- A seminar titled: The effectiveness of directors at work in universities, at the Institute of Public Administration, for a period of three days.
- Seminar titled: Development of Administrative Communication Skills, at the Institute of Public Administration for a period of three days.
- A seminar on Evaluating Employees' Job Performance, at the Institute of Public Administration for a period of three days.
- Seminar on Time Management, at the Institute of Public Administration for a period of three days.
- A workshop titled: Management of Meetings, at the Institute of Public Administration for a period of three days.
- A workshop titled: Developing supervisory skills, at the Institute of Public Administration for three days.
- Developing Conflict Management Skills in the work environment workshop, at the Institute of Public Administration.
- Analyzing Problems and Making Administrative Decisions workshop, at the Institute of Public Administration for three days.
- Total Quality Management workshop, at the Institute of Public Administration for three days.
- Leadership and Administrative Creativity workshop, at the Institute of Public Administration for three days.
- Administrative Development and Strategic Planning, which was held at the Education Center of "UNICEF" in Buraidah, for a period of two weeks.
- University Teaching Skills workshop.
- Strategic Planning workshop, Creativity and Excellence Project, at Imam Muhammad bin Saud Islamic University.
- Teaching Styles and Methods in University Education workshop, presented by Dr. Saleh Al-Zahrani, Development of Creativity and Excellence Project, at Imam Muhammad bin Saud University.
- A workshop titled: Preparing Training Package, at the Education Resource Center in College of Education.
- A workshop titled: University Teaching Skills, at the Education Resource Center in the college.
- A workshop titled: Nuro-programming, at Kudra Center.

Seventh: Supervising university theses, defense and scientific arbitration

- I discussed the master thesis “Phonetic Phenomena in the book of Seven by Ibn Mujahid” by the teacher assistant, Badriah Al Arouk, in 1417 AH.
- I participated in a PhD dissertation supervision of the lecturer Fathiah Al Bederi, titled “The linguistic semantics of Ibn Al-Sameen Al-Halabi in the light of his book Al-Durr Al-Masun” in 1424 AH.
- I discussed the master thesis “The Effect of the Context on the Meaning” by the teacher assistant, Ibtisam Al Fuhaid, in 1425 AH.
- I supervised the master thesis “Surat Al-Ma’idah, a semantic study in the light of the theory of relations and fields and semantic analysis” by the student Lamia Al-Aqeel in 1427 AH.
- I discussed the master thesis “phonetic phenomena in Al-A'mash Qira'ah”, by the teaching assistant, Raeda Al-Maliki, in 1427 AH.
- I supervised the master thesis
- I supervised the master thesis “Repetition and its role in textual cohesion, a linguistic study in Surat Yusuf” by the researcher Shaqra Hantoul in 1430 AH.
- I supervised and discussed the PhD dissertation “Semantic Correspondence” by Dr. Raeda Bint Hassan Al-Maliki, a linguistic study in Sahih Al-Bukhari, in 1430 AH.
- I discussed the master thesis “The Impact of Sounds on Morphological Analysis at Sibawayh) by Fayza Fahad Al-Otaibi, Faculty of Arabic Language - Imam Muhammad bin Saud Islamic University in 1433 AH.
- I discussed the master thesis “Clothes in the Dozi Dictionary” by the student Ghada Al-Shehri, Imam Muhammad bin Saud University, College of Arabic Language, in 1434 AH.
- I discussed the master thesis “Speech disorders resulting from cleft palate in children” an applied linguistic study by the student Aisha Al-Zain, University of Dammam / Department of Arabic Language 1437 AH.
- I discussed the master thesis “Metaphorical Perceptions in the Poetry of Contradictions” by the master student Mona Al-Ruwaili, a cognitive linguistics, Northern Border University, in 1439 AH.
- I supervised the master thesis "Perceptual Metaphors for Al-Ragheb Al-Isfahani," a cognitive linguistics in the Fifth Pillars, by the student Maha Dalim Al-Qahtani in 1439 AH.
- I supervised the thesis of the researcher Nada Al-Nabhan, "Medical Terminology in the Book of the Prophet's Medicine by Al-Suyuti 911 AH," in the light of the theory of fields and semantic relations in 1440 AH.

- I supervised the thesis of the researcher Najlaa Al-Habib, "Criminal Law Terminology in the Dictionary of Lisan Al-Arab," a semantic approach in the light of conceptual fields in 1440 AH.
- I supervised the thesis of the researcher Asmaa bint Saud Al-Omari, "Communication Mechanisms in Interactive Discourse, Women's eloquence by Ibn Tayfur - T 280 -" as a model in 1441 AH.
- I discussed the PhD dissertation "The effect of the adverbs in the Meccan surahs in the Qur'an" a linguistic study, by the lecturer Wedad Saleh Al-Qarawi, College of Arts - University of Dammam.
- I discussed the PhD dissertation at Umm Al-Qura University, College of Arabic Language "Trends of Linguistic Studies in the Kingdom of Saudi Arabia" by the student Aisha Al Zaila Al-Asiri on 3/2/1442 AH.
- I discussed the master theses "Verses of Family Affiliation in the Noble Qur'an in the Light of Sociolinguistics" by the student Mariyam Abdulrahman Al Abdalwahid, Imam Abdul Rahman Al-Faisal University, College of Arts in Dammam, on 21/2/1442 AH.
- I discussed the master thesis "the requirements of speech in the predicate relationship of Al-Batusi through his book "Fixing the defect in the book of the sentences by Al-Zujaji"", Qassim University.
- I discussed the thesis "consistency and harmony in the speech of bragging in the letters of Al-Jahiz", a textual linguistic approach, Northern Border University, College of Arts, Department of Arabic Language in 1442 AH.
- I participated in a number of promotion arbitration of faculty members (associate, professor) in a number of Saudi universities.
- I discussed the PhD thesis "the subject of the text in Ghazi Al-Gosaibi's work, a textual study" at King Saud University in 1443 AH.
- I have arbitrated a large number of scientific research for many specialized scientific journals, most notably the Journal of Language Sciences and Literature (Umm Al-Qura University), the Journal of Linguistic Studies (King Faisal Center), and the Linguistics Journal (King Abdullah Center for Arabic Language Service).

Eighth: Scientific Production:

1. Book verification of the "Al Qira'at and the Grammar's Reasons" by Abu Mansour Al-Azhari, Master Thesis (published in 1408 AH). House of Knowledge Treasures / Jordan.
2. "Voices in abnormal Qur'anic Qira'at" printed in 1418 AH, Al-Obaikan Library/Riyadh.

3. 1. Book verification on intonation "Alqawl Almaluf Fi Maerifat Makharij Alhuruf" by the Judge Muhammad bin Nasr Al-Hanafi, a published research in the College Journal, Dar Al-Ulum, Cairo, 1424 AH.
4. 4. "The effect of repetition on textual cohesion," an applied textual comparison in the light of the articles of Dr. Khaled Al-Moneef, published research in the Journal of Umm Al-Qura University in 1433 AH, Eighth issue.
5. "Verbal accompaniment and its role in text cohesion, a textual approach in the articles of Dr. Khaled Al-Munif" research published in the Journal of Linguistic Studies, Third Issue, King Faisal Center for Research and Islamic Studies in 1433 AH.
6. Publication of the Journal of Linguistics, Volume Four (1433 AH), Cairo.
7. "Attatriz Assawti Le Sath Annus" A study of balance construction in light of the sermons of Sheikh Dr. Saleh bin Humaid, the imam and preacher of the Great Mosque of Mecca, a textual approach, research presented at the Text and Discourse Linguistics Conference, Morocco / Agadir / Ben Zahir University in 1434 AH.
8. "On Cognitive Linguistics" A Study in diagnostic and embodiment metaphor, The Field of Place as a model, Al-Asun Newspaper / Cairo / Issue 39, 1435 AH.
9. "New metaphors in the contemporary story" a semantic cognitive comparison in the conceptual metaphor the Alzheimer's Story by Dr. Ghazi Al-Qusaibi, a working paper presented at the Jawathi Forum, 1435 AH.
10. I presented a working paper (Mental Faculty and Perception of the Meaning of Modern Linguistics and Arab Heritage," Ibn Rushd as a Model, at the Second Conference on Arabic Language, Jordan University of Science and Technology, College of Science and Arts, Irbid, Jordan in 1437 AH.
11. Editor of the book "Applied Bibliography in the Investigations of Arabic Writing", King Abdullah Center for Arabic Language Service, 1440 AH.
12. Associate researcher in the book "Theory of Knowledge and Epistemology of Science," one of the co-authored books with Mohammed V University in Rabat, within the partnership agreement between the two Universities in 1440 AH.
13. Associate researcher in the book "Linguistic and Lingual Research, Historical Stations, Trends and Schools," one of the co-authored books with Mohammed V University in Rabat, within the partnership agreement between the two universities in 1440 AH.
14. Associate researcher in the book "Levels of Linguistic Lessons," one of the co-authored books with Mohammed V University in Rabat, within the partnership agreement between the two universities in 1440 AH.

15. "Generated model of "Hybrid genetic whale" to learn the ontology from the Arabic script" Prof. Rania Ghoneim, Prof. Nawal Al-Helweh, and Khaled Shaalan, published research, a workbook (ISI) was published in Aou Lakwarzam Magazine, France, in 2019.
16. Preparing a number of training packages in language skills:
 - Preparing the training package for the skill: (Administrative Reports), 1430 AH.
 - Preparing the training package for the skill: (Editing Administrative Correspondence) in 1430 AH.
 - Preparing the training package for the skill: (Effective Dialogue) in 1437 AH.
 - Preparing the training package for the skill: (Negotiation and Earning), 1439 AH.
 - Preparing the training package for the skill: (Written Editing in Academic Research), 1441 AH.
17. Lead researcher in the book project "Empowerment of Saudi Women Issues in Public Speaking", a social linguistic approach, Center for Women's Studies at the University, printed in 1442 AH.
18. The study of "Public Rhetoric in Issues of Empowering Saudi Women," a communicative linguistic approach in the public discourse (Twitter) as a research model presented to the Conference on Arabic Language and New Media, printed conference book, Taibah University, College of Arabic Language.

"Imams Hujaj in Children's Stories" a pragmatic approach to the story "A Tea Party in Cinderella's Palace," a research accepted for publication in the Journal of Arab Linguistics in 4/5/2021, a classified magazine, conforming to the criteria for accrediting the Arab Impact Factor "Arcif" in 2021.
20. The public discourse (structure and story) a communicative cinematic approach in Saudi advertising (SABIC company as a model), research accepted for publication in the Journal of Linguistic Studies, King Faisal Center 1443.

Lexical And Semantic Works

21. "The Specialized Dictionary in the Meanings of Professional Terms in The Contemporary Arabic Language Using the Ontology Techniques" in 1438-1440 AH, a project funded by the Deanship of Scientific Research at Princess Nourah University. The project was developed and its blog was invested with the following output:

- (- Dictionary of Meanings of Health Professions)
- (- Semantic Ontology for the Field of Education and Learning)
- (- Semantic Ontology of the Health Field)

22. "Primary School Students Dictionary," an associate researcher in a project funded by King Abdulaziz City for Science and Technology, published in 1439 AH.
23. "Towards a Computerized Dictionary of Semantic Contrast in Children's Stories in the Light of the Sketch Engine Blog" published research in the Journal of Language Sciences and Literature 'Umm Al-Qura University, Seventh Issue, Rajab 1442 AH, February 2021, a classified magazine conforming to the criteria for accrediting the Arab Impact Factor "Arcif" in 2021.
24. "The Dictionary of Semantic Contrasts in Arab Child Language " in 1440 AH, a working paper presented at the University of Morocco Mohammed V and the University of Manouba, Tunisia.
25. "The Dictionary of the Meanings of Professions According to the Ontology Techniques," 1439 AH, a working paper presented at Imam Muhammad bin Saud University, College of Languages and Translation, a working paper of the thirteenth Arabization Conference.
26. "The Characteristics of Semantic Relationships and Their Patterns" A joint research with Dr. Mohamed Ghalim, Mohammed V University, Rabat, research published in the Journal of "Linguistic Research" No. 33, Rabat, 2018.
27. "Semantic Contrast, an Applied Study in Surat Al-Ma'idah," a research published in the Journal of Language Sciences in 1428 AH.
28. "Eloquent dialects of Qassim" in association with Dr. Nawal Al-Falaj, printed in 1428 AH.
29. "The Names of Time in the Noble Qur'an" An applied study in the light of theory of fields, semantic analysis and semantic relations, presented at the Fayoum University conference, Cairo.
30. "Sounds Phenomena in Qassim Dialect," a published research in the Journal of Linguistic Studies, King Faisal Center in 1426 AH.
31. "Earth Ontology Research" is a computational linguistic study, presented at the Faculty of Computer at the University of Leeds.
32. "Semantic Reinforcement" a Quranic semantic approach to the word "Athab," research published in the Journal of Humanities, Kuwait University in 1433 AH, a classified journal, conforming to the criteria for accrediting the Arab Impact Factor "Arcif" in 2021.

33. "The Linguistic Characteristics of the Semantic Term," a paper presented within the Arabic Letter Symposium, King Abdullah bin Abdulaziz International Center for Arabic Language Service, 1436 AH.
34. I published a joint research with the researcher Wajd al-Qasim entitled "Language Violence," a semantic linguistic approach to the vocabulary of slander in the Najdi dialect, 1436 AH.
35. An associate researcher in a computer model project for the use of web technologies in representing semantic contrasts, King Abdulaziz City for Science and Technology, 1430 AH.

Eighth: Courses I Taught:

- Language and Communication Issues (Postgraduate Studies).
- Linguistic issues (postgraduate studies).
- Computer Dictionaries (Postgraduate Studies.)
- Linguistics of Discourse and Text Analysis (postgraduate studies).
- Linguistics (Postgraduate Studies).
- Linguistic Research Methods (Postgraduate Studies).
- Contemporary Linguistic Issues (Postgraduate Studies).
- Quranic Qirā'āt (Postgraduate Studies).
- Phonetics.
- Lexicography.
- Semantics .
- Vocabulary.
- Arabic Dialects.
- Quranic Qirā'āt and Arabic Dialects.
- General Linguistics.
- Applied Linguistics.

Ninth: Initiatives:

1. The Initiative of Arabic Language Scientific Society of Imam Muhammad bin Saud Islamic University to open a female branch at Princess Noura University, in 1429 AH.
2. Al-Jazeera Newspaper Research Chair Initiative, the first research chair specialized in Arabic language and modern studies in Saudi universities, 1430 AH.
3. The Computational Linguistics Forum Initiative, the first Arab forum to be held for computational linguistics, 1430 AH.

4. The Language Skills Training Project Initiative, the first project implemented in Saudi universities, 1430 AH.
5. The initiative of the translation project from English to Arabic the first project to be implemented in the Arabic language departments in Saudi universities, in 1433-1436 AH, in which the book "Lexical Semantics" was translated by Geratris, one of the prestigious Oxford Library publications.
6. An initiative for a scientific partnership between Princess Nourah Bint Abdul Rahman University and Mohammed V University in Rabat between the two departments of the Arabic language in the two Universities. It is the first scientific partnership to take place in the Arabic language departments in Saudi universities. The partnership took place in the Master's Program in Arabic Language and Literature and in the joint authorship and polarization between the two universities in 1436-1441 AH.
7. The initiative to open a master's course in Computational Linguistics, which is the first Arab master's degree in this Arab university, in 1436 AH.
8. The initiative to open a Linguistics course, which is the first master's program in Saudi universities.
9. The unfunded project initiative "Child-oriented discourse analysis: a linguistic approach", in partnership with the Discourse Analysis Laboratory at Mohammed V University (Morocco - Rabat), and produced six arbitrated and published research papers in 1437-1439 AH.
10. The initiative to open research projects in computational linguistics in 1436 AH - 1440 AH, (Earth Ontology) (Dictionary Concerning the Meanings of Occupation Terminology), (Computer Study), (Dictionary of Semantic Oppositions in the Light of the Sketch Engine Blog).
11. The initiative to open "Linguistics Laboratory) in the Arabic Language Department, which is the first Saudi linguistics laboratory.
12. The initiative to open an unfunded research group (the Saudi public discourse is a linguistic approach) joined by fifteen academic researchers from six Saudi universities in 1441-1442 AH, and ten published and arbitrated researches were elected.
13. The initiative to open the Computer Linguistic Labeling Unit in the Arabic Language Department at Princess Nourah bint Abdulrahman University, College of Arts, 1443 AH

Tenth: Current Research Interests:

- Computational Linguistics.
- Communicative Linguistics and Contemporary Discourse Analysis.
- Sociolinguistics and Psychology.
- Pilgrims and Deliberations.

- Contemporary Dictionary.
- Contemporary Language and Modern Dialects.
- Writing and Training in Functional Language Skills.
